Saha Synergy Group Ltd

Collaboration Agreement

Independent Contractor Engagement · Sales and Co-Facilitation

Company

Sophia Lee Fox

Collaborator

Helena Sofia Rodriguez Weidner

Independent Contractor

Agreement Date: 17/05/2026 Effective Date: 18/05/2026

Section 1

Purpose and Scope of Engagement

This agreement engages Helena Sofia Rodriguez Weidner as an independent contractor to Saha Synergy Group Ltd in the following defined capacities:

Role A — Primary

Sales Representative, Saha Synergy Sessions and Soul Path Collective (SPC). Helena conducts outreach, qualification, and sales conversations for all Saha Synergy session tiers (Early Bird \$497, Standard \$697, Premium \$997, Retainer \$1,500–\$5,000/mo) and for Soul Path Collective Cohort 1 enrollment (\$3,999 early enrollment / \$4,444 standard). Commission-only structure; no fixed retainer.

Role B — Per Session

Masterclass Co-Facilitation (lead-generation masterclasses). Helena co-facilitates live masterclasses run as lead-generation events for Sisterhood OS and Saha Synergy. Per-session rate, paid after delivery.

Role C — Conditional Trial Basis

SPC Co-Facilitation, Soul Path Collective Cohort 1 (commencing November 2, 2026). Helena co-facilitates one defined session. Full session preparation, delivery, and follow-up is Helena's responsibility. Sophia will be present. Expansion is subject to written review following the trial session. This role is activated only by separate written confirmation from Sophia. Helena does not facilitate SPC content in any capacity until Sophia has confirmed in writing that Helena has sufficiently embodied the Soul Path Map and Cycle Synergy frameworks.

Role E — Per Event

Ticketed Workshop Facilitation, Sisterhood OS. Helena facilitates standalone ticketed workshops (mini, half-day, or full-day format) on behalf of Sisterhood OS. Flat facilitation fee by format plus referral commission on tickets sold via her unique promo code. Attendance promotion on her personal channels is required to earn commission.

Role D — Optional Helena's Election

Sisterhood OS Infrastructure Support for Helena's Spanish-Language Container. Helena may elect to engage Sisterhood OS as a structural and marketing support partner for her own Spanish-language coaching or facilitation program. In exchange, Helena pays Sisterhood OS a flat fee of 40% of gross revenue generated by the Spanish container. This includes access to: brand infrastructure, operational frameworks, marketing support, community architecture, and strategic guidance. Each engagement under Role D is confirmed separately in writing and does not automatically activate with the signing of this agreement.

Social media strategy, direction, and execution for Sisterhood OS and Sophia Lee Fox's personal brand are not within the scope of this agreement. Helena does not hold a social media advisory, strategic, or consulting role under this engagement.

Section 2

Role A — Sales Representative, Saha Synergy

Helena will develop and manage outreach to prospective clients for Saha Synergy services and Soul Path Collective (SPC). Outreach channels and target markets are agreed in advance with Sophia. Helena holds sales conversations and closes bookings independently. Sophia sources and closes her own leads separately; commission applies only to clients Helena independently sources and closes.

Helena tracks all outreach and closed sales in a shared log agreed with Sophia.

Masterclass-Generated Warm Leads — Trial Period

Warm leads generated by Sophia's masterclasses are distinct from independently sourced leads. These leads are assigned according to the trial structure below and carry a 20% commission rate regardless of language.

Lead Allocation — Trial Structure

Warm leads are allocated 50% to Helena / 50% to Sophia to start. Helena works her assigned leads with full autonomy and earns 20% commission on each SPC enrollment she closes. Sophia works her 50% independently.

Review trigger: After each party has completed 20 enrollment calls from their assigned leads, both parties

review close rates side by side and decide the next allocation together at that point. There is no fixed calendar deadline — the review is triggered by call volume, not time.

Minimum target to move forward with increased allocation: 25% close rate. If Helena's close rate meets or exceeds 25%, allocation increases in Helena's favour for the next batch, with the exact split agreed between both parties at the review. If above 25%, more can be given. If below 25%, allocation remains at 50/50 or is adjusted at Sophia's discretion.

Masterclass Attendance Requirement

To receive warm lead assignments from a masterclass, Helena must attend that masterclass live. Replay viewing does not qualify. Sophia may grant a written exception for a specific event — that exception does not apply automatically and does not apply to the first target-audience masterclass. Helena who does not attend a live masterclass forfeits lead assignment from that event.

2.1 Helena does not apply commission to sessions sourced or closed by Sophia, other Saha Synergy team members, or organic inbound inquiries, unless Sophia has confirmed in writing that Helena's outreach was the originating touchpoint.

2.2 Helena represents Saha Synergy with the agreed brand voice and positioning. She does not alter pricing, offer discounts, or make commitments outside her authorized scope without prior written approval.

2.3 Helena maintains a shared lead log tracking all assigned leads, touchpoints, call outcomes, and pipeline status. The log is updated within 24 hours of each interaction and submitted to Sophia every Monday without being prompted. Failure to maintain the log for two consecutive weeks is treated as a performance concern and may result in reduced lead allocation.

Section 3

Role B — Masterclass Co-Facilitation

Helena co-facilitates live masterclass events run by Sophia as lead-generation activities for Sisterhood OS and Saha Synergy. Co-facilitation includes active on-screen or in-room participation: running segments, holding Q&A, facilitating breakout exercises, or supporting participant engagement. Passive attendance does not qualify for this rate.

Activity

Rate

Masterclass co-facilitation (lead-generation or paid, any language, up to 120 minutes)
\$100 per session

3.1 Helena is confirmed for each masterclass no later than one week in advance. If she confirms and does not attend without 48 hours notice, the session rate is forfeited and Sophia may decline to book her for the following session.

- 3.2 Helena represents Sisterhood OS and Saha Synergy brand values in all masterclass appearances. She does not introduce her own frameworks, services, or offers to participants without Sophia's prior written approval.
- 3.3 Masterclass per-session fees are paid within 5 business days of delivery.

Section 4

Role C — SPC Co-Facilitation

Helena is engaged to propose facilitation sessions for Soul Path Collective Cohort 1 (commencing November 2, 2026). A minimum of one session is anticipated. The total number of confirmed sessions depends entirely on what Helena presents by the submission deadline and where it fits within the cohort schedule, which Sophia has already mapped. Sophia reviews all submissions and selects which sessions fit. There is no guaranteed number beyond one. Helena does not assume any session is included until she has written confirmation from Sophia.

Class Design Submission — Deadline 17 June 2026

Helena submits all proposed class designs to Sophia by 17 June 2026. Each submission must be a complete class design including: session title, learning outcomes, full session structure with timing, all exercises and activities, participant materials or handouts (if any), and any facilitation notes. Partial outlines or concept summaries are not accepted as submissions. Sophia reviews all submissions and provides written confirmation of which sessions are included in the cohort schedule no later than 1 July 2026.

What Sophia Provides

Sophia provides Helena with the cohort's monthly topic arc and overall program framework so Helena can design sessions that are coherent with the full SPC journey. Sophia does not provide session templates, methodologies, or content for Helena to adapt. Helena's submissions must reflect her own facilitation expertise and approach.

Soul Path Map and Cycle Synergy — Restricted for Cohort 1. Helena may not facilitate, teach, or present any content based on the Soul Path Map or Cycle Synergy frameworks in SPC Cohort 1 under any circumstances. These are Sophia's proprietary frameworks. Facilitation of these topics requires demonstrated embodiment, which has not yet been assessed. Embodiment review will be conducted prior to Cohort 2. Permission to facilitate Soul Path Map or Cycle Synergy content, if granted at all, will be confirmed in writing before Cohort 2 begins. No verbal discussion of this topic constitutes permission.

Activity
Rate
Notes

Confirmed SPC facilitation session (120 minutes)
\$175 per session

Paid within 5 business days of delivery. Rate applies to Cohort 1 only.

Cohort 2 and beyond

Rate renegotiated in writing

Based on Cohort 1 delivery, participant feedback, and scope confirmed at that time.

4.1 Helena submits all proposed class designs by 17 June 2026. Late submissions may not be considered for Cohort 1. Sophia is under no obligation to include any submitted session in the cohort schedule.

4.2 Sophia confirms selected sessions in writing by 1 July 2026. Only written confirmation activates this role for a specific session. Verbal discussion of sessions does not constitute confirmation.

4.3 For each confirmed session, Helena delivers post-session notes or participant action items to Sophia within 48 hours of delivery. Sophia will be present at all SPC sessions Helena facilitates.

4.4 Helena does not hold, promote, or represent herself as a lead facilitator, program designer, or co-creator of SPC. The Soul Path Collective program is owned fully by Sophia Lee Fox / Saha Synergy Group Ltd. Helena's facilitation of selected sessions does not create any intellectual property, ownership, or revenue claim over the program.

4.5 If a confirmed session does not proceed due to Helena's unavailability or insufficient preparation after written confirmation, the facilitation track of this agreement is suspended until Sophia's written notice of reinstatement.

Section 5

Role D — Sisterhood OS Support for Helena's Spanish Container

Where Helena elects to activate Role D, Sisterhood OS provides structural, operational, and marketing support for Helena's independent Spanish-language coaching or facilitation container. This is a separate and optional arrangement from Roles A, B, and C. Helena retains ownership and delivery responsibility for her Spanish container. Sisterhood OS provides the infrastructure layer.

What Sisterhood OS Provides

Helena's Fee to Sisterhood OS

Brand infrastructure, operational frameworks, marketing support, community architecture, strategic guidance for Helena's Spanish container

40% of gross revenue from the Spanish container

5.1 Role D is activated only by a separate written agreement between the parties specifying the container scope, pricing, and start date. This clause does not create any obligation on Sisterhood OS to provide support unless a separate written agreement has been executed.

5.2 Revenue reporting for the Spanish container is Helena's responsibility. Helena provides a monthly gross revenue statement within 7 days of the end of each calendar month. Payment of 40% is due within 14 days of that statement.

5.3Helena's Spanish container must not replicate, re-package, or draw directly from Sisterhood OS or SPC intellectual property without separate written licensing permission from Sophia.

Section 6

Role E — Workshop Facilitation

Helena facilitates standalone ticketed workshops run by Sisterhood OS. These are distinct from free lead-generation masterclasses (Role B) and from SPC co-facilitation (Role C). Each workshop engagement is confirmed in writing no later than two weeks before the Sisterhood OS masterclass that precedes it, specifying the format, topic, date, and Helena's unique promo code. This timing ensures the workshop can be promoted during that masterclass, on sales calls, and in the email nurturing sequence. Helena's compensation consists of a flat facilitation fee and a referral commission on tickets attributable to her promotion.

Commission is paid within 7 business days of the event concluding. Not paid on complimentary, refunded, or tickets purchased outside Helena's code. If ticket pricing is adjusted for a specific event, commission is calculated at 10% of the actual standard ticket price for that event.

Promotion Requirement

To earn referral commission, Helena must promote the workshop a minimum of 4 times per week across her personal social media channels in the 2 weeks immediately before the event, referencing her promo code in each post. If the promotion requirement is not met, the flat facilitation fee is still paid in full; the commission for that event is forfeited. Sisterhood OS may request evidence of promotion posts if needed.

Content Responsibility

Helena is responsible for designing her own facilitation content for each workshop she facilitates. Sophia does not provide Helena with a template, script, curriculum structure, or methodology to deliver under Helena's name. Helena submits her facilitation plan — including session structure, full content outline, all exercises and participant materials — to Sophia for written approval no later than two weeks before the event date. A workshop may not proceed without Sophia's written confirmation of the content. Helena does not deliver Sophia's proprietary frameworks, exercises, or SPC content in any workshop under this role.

6.1 Each workshop engagement under Role E is confirmed in writing by Sophia no later than two weeks before the Sisterhood OS masterclass that precedes the event. This ensures the workshop can be promoted during that masterclass, on sales calls, and in email nurturing. Confirmation specifies format, topic, date, and Helena's promo code. No verbal confirmation activates this role for a specific workshop.

6.2 Sisterhood OS sets all ticket pricing, manages all payments, and bears all direct event costs. Helena does not set pricing, collect payments, or make financial commitments on behalf of Sisterhood OS.

6.3 Helena represents Sisterhood OS brand values in all workshop appearances. She does not introduce her own frameworks, offers, or services to participants without Sophia's prior written approval.

6.4 Helena's facilitation of workshops under this role does not create any intellectual property claim over Sisterhood OS workshop content, the Sisterhood OS brand, or any materials developed in connection with the events.

6.5 If a confirmed workshop does not proceed due to Helena's cancellation without 48 hours notice, the flat facilitation fee is forfeited for that event. If Sisterhood OS cancels the event, the flat fee is paid in full.

Section 7

Confidentiality

Helena agrees to keep the following confidential during the term of this agreement and indefinitely after its conclusion:

7.1 All client data, contact information, and session content for Saha Synergy and Sisterhood OS clients and members.

7.2 All financial information including pricing structures, revenue figures, compensation arrangements, and business strategy.

7.3 All program materials, frameworks, methodologies, scripts, and content systems owned by Saha Synergy Group Ltd.

7.4 Internal communications, team structures, and operational systems.

Breach of confidentiality entitles Saha Synergy Group Ltd to seek damages and to terminate this agreement immediately without notice period.

Section 8

Non-Solicitation

During the term of this agreement and for 12 months following its termination for any reason, Helena agrees not to:

8.1 Solicit, approach, or accept independent business from any Saha Synergy or Sisterhood OS client or member she encountered through this engagement.

8.2 Represent, promote, or conduct business on behalf of any directly competing service offering targeting the same client base as Saha Synergy or Sisterhood OS, without prior written approval from Sophia.

Section 9

Intellectual Property

All materials, content, frameworks, program designs, scripts, brand assets, video edits, methodologies, and client relationships developed by or for Saha Synergy Group Ltd remain the sole property of Sophia Lee Fox / Saha Synergy Group Ltd. Helena holds no claim to any intellectual property created in the course of this

engagement, whether created independently or collaboratively. All edited video files become property of Saha Synergy Group Ltd upon delivery and payment.

Acknowledgment of Prior Contributions. Both parties acknowledge that any strategies, frameworks, concepts, methodologies, or content shared by Helena Sofia Rodriguez Weidner prior to the execution of this agreement were contributed during a period of active engagement compensated by prior retainer arrangements. Those contributions are acknowledged as fully compensated as of the date of this agreement. Helena holds no outstanding financial or intellectual property claim arising from contributions made prior to this agreement's effective date. This acknowledgment is mutual and final.

Section 10

Performance Reviews and Term

Day 30 Check-In

30 days from effective date

Review of sales output, facilitation quality, communication responsiveness, and mutual fit. Either party may raise concerns or adjustments.

Day 90 Review

90 days from effective date

Formal review of all active roles. Decision to continue, adjust scope, adjust rates, or terminate. Outcome confirmed in writing within 7 days of this review.

10.1 This agreement runs for an initial 90-day period from the effective date. After 90 days, the agreement continues month-to-month unless either party provides written notice of termination or renegotiation.

10.2 Either party may exit with 14 days written notice after the initial 90-day period. Saha Synergy may exit with immediate effect in the event of confidentiality breach, non-solicitation breach, or conduct that damages the brand or its clients.

10.3 If no sales are closed by Helena within the first 60 days, Sophia may terminate the sales role with 7 days written notice without affecting any separately activated facilitation arrangements.

Section 11

Independent Contractor Status

Helena is engaged as an independent contractor. Nothing in this agreement creates an employment relationship, partnership, joint venture, or agency between the parties. Helena is not entitled to employee benefits, statutory holiday pay, annual leave, paid sick leave, severance payment, long service payment, or any other entitlement under the Employment Ordinance (Cap. 57) of the Hong Kong Special Administrative Region.

Helena retains the right to engage other clients and projects, provided they do not conflict with the non-solicitation or confidentiality provisions of this agreement.

11.1Tax obligations: Helena is solely responsible for all applicable taxes on income earned under this agreement, including but not limited to Profits Tax or Salaries Tax as assessed by the Inland Revenue Department of Hong Kong under the Inland Revenue Ordinance (Cap. 112). Helena shall maintain her own tax filings and indemnifies Saha Synergy Group Ltd against any tax liability, penalty, or interest arising from her earnings under this agreement.

11.2Mandatory Provident Fund: As Helena is engaged as an independent contractor and not an employee, employer MPF contribution obligations under the Mandatory Provident Fund Schemes Ordinance (Cap. 485) do not apply to Saha Synergy Group Ltd in respect of this engagement. Helena is solely responsible for any MPF contributions applicable to her as a self-employed person, if any.

11.3No employment status claim: Both parties acknowledge and agree that this agreement does not create an employment relationship under the Employment Ordinance (Cap. 57) or any other applicable law. Helena irrevocably waives any right to claim employee status, statutory employee benefits, or employment entitlements from Saha Synergy Group Ltd arising from this engagement, whether during its term or after its conclusion.
